SAVE THE CHRISTIANS FROM GENOCIDE - H.R. 565

Dear Speaker Paul Ryan and Congressional Representatives:

Congressman Dana Rohrabacher (R-CA) has submitted a bill – H.R. 565, ***The Save Christians from Genocide Act***—which would designate all targets of genocide with emergency refugee status, specifically Middle Eastern Christians and Yazidi minorities. With strict, proper vetting, Christians and those suffering religious persecution will be given priority treatment. I am asking you, Speaker Ryan and my representative, to support this bill. It's time to end the genocidal attacks against Christians.

"Act now, Vote for H.R. 565, the Save Christians from Genocide Act!"
